

MOTD

```
wget http://tt.orchia.pl/motd.sh
chmod 755 /etc/motd.sh
echo "/etc/motd.sh" >> /etc/profile
```

Plik motd.sh: <http://tt.orchia.pl/motd.sh>

A terminal window titled 'kamil@dc: ~' showing the output of the MOTD script. The output includes system information, login details, and system statistics. On the left side, there is a colorful ASCII art logo of a cat. The system statistics are displayed in a structured format with green and yellow text.
